## THE BREVITY BASKET.

Filled With Brief Mention of Many Minor Events of Yesterday.

A new branch of the Irish national league has been formed by the election of the following officers: Peter McCartney, president; Peter McIntyre, vice president; William Smith, secretary; Daniel Shanahan, treasurer.

Mr. John Q. Thompson was arrested Saturday afternoon on account of the altercation with C. H. Henson, the warrant charging him with affray. He left \$20 collateral at the fifth precinct station for his appearance at the police court to-day.

A Belt Line street car became uncontrollable on Eleventh street Saturday evening on account of a broken brake chain and jumped the track at E street, the horse dashing over the concrete pavement of Eleventh street to the avenue, where he was stopped.

The new military organization, the Continental Guards, has now about 110 men, viz.: Company A, Capt. Anderson, 40; company B, Capt. W. W. Mills, 40; company C, Capt. E. F. Vermillion, 30, and it is expected that on the occasion of the parade Nov. 26, that there will be detachments of three companies forming one command under Capt. Mills.

Messrs. W. W. Corcoran, T. J. Fisher, L. J. Davis, M. W. Galt, William G. Moore, Enoch Totten, and W. H. Claggett are among those who will compose the citizens' committee on hospitality in connection with the annual reunion of the Veterans of the Mexican War, which takes place in this city in December. Other prominent names are rapidly being enrolled.

The funeral of Mr. George H. Given, an old resident of the city, took place Saturday afternoon from the residence of his sister-in-law, Mrs. J. P. Palmer, 1107 F street, and was largely attended. Rev. Dr. Cuthbert officiated. The pallbearers were Messrs. E. Spedlin, S. Pettit, M. Hayden, J. Miller, and Joseph Anthony. The interment was at Congressional cemetery.

The marriage of Mr. Harrison B. Brown to Miss Delphine Wilmarth, daughter of Mr. James G. Wilmarth, of this city, took place early Saturday morning at Grace Episcopal church, the Rev. Dr. Lee officiating. No cards were issued, and only the immediate family were present. Immediately after the ceremony the young couple left for a short bridal tour.

A Snake "Coppered."

A novel and startling sight was witnessed by Foreman McNally, of the copper rolling mill, navy yard, and his workmen Saturday afternoon. A large roll of red hot copper had been withdrawn from the fire and spread upon the ground and the workmen were preparing to run it through the large roller, when suddenly a large snake darted out from a pile of rubbish in one corner and, as though attracted by some irresistible power, glided swiftly upon the sheet of sputtering metal. Almost instantly the reptile turned upon its back in the throes of death and swelled from the effects of the heat until it resembled a box constrictor in thickness. The imprudent snake was removed with a pair of tongs and the work continued.

## Why We Defy Competition!

**First**—Because our business is so large we are enabled to sell for a smaller profit than others. For instance, while our competitors are selling to the amount of \$1,000, our sales amount to \$5,000. Ten per cent. profit on \$5,000 is \$500. It takes 50 per cent. on \$1,000 to make \$500.

**Second**—Doing so large a business, we can purchase large quantities. By importing direct we save at least 15 per cent.

**Third**—So extensive are the various departments, we can afford to engage competent men to manage each, so that we seldom incur losses by purchasing goods that are not certain to be popular.

**Fourth**—The Palais Royal, while it pays the largest salaries of any house in the city, is managed on strictly economical business principles.

**Fifth**—By never allowing any house to undersell us, and by constantly having on hand stylish and reliable, not trashy, goods.
